# WEB DESIGN

# SOCIAL MEDIA MANAGEMENT

A must! The unbeatable tool to promoting your business and reaching your audience. Today, all your marketing strategy goes around Facebook, Instagram, LinkedIn, TikTok, Twitter.

- Research on your demographics and create goals for your market niche
- Create engaging posts, graphics, videos and much more
- Determine your social platform ads strategy
- Community management
- Planning and execution of digital marketing campaigns
- Reporting and analysis

Tailor-made post designs according to your brand identity and audience

# INSIGHTS & ROI

Statistics do not lie. Social media channels are awash in data. Our team works with brands to figure out what goals matter and then provide full reporting. Even better, we uncover insights and measure the ROI of our efforts.

**Post Performance**  
Post performance is the total number of likes, shares, reach and engagement on your post
