EBOX PROFILE

OUR DNA

Established since 2016, EBOX Digital was incorporated as a sister company to Iredacweb Ltd to fill the gap with the rising social media trend. In 2022, under the new management, Ebox Digital took over Iredacweb and was redefined as a full-service digital agency in Mauritius, offering a wide range of services including web design and development, digital marketing, branding, social media management, content creation, and business growth solutions. Driven by creativity, innovation, technology and results, EBOX helps businesses build strong digital identities and engage effectively with their audiences through tailored strategies and high-quality digital experiences.

WHAT'S NEXT?

MAURIMAP
BEYOND THE RESORTS.

MAURIMAP

BEYOND THE RESORTS.

MauriMap is an innovative digital platform dedicated to showcasing the authentic side of Mauritius. Designed around an interactive map, it connects locals and visitors with genuine experiences, cultural attractions, local food, artisans, activities, and hidden gems across the island.

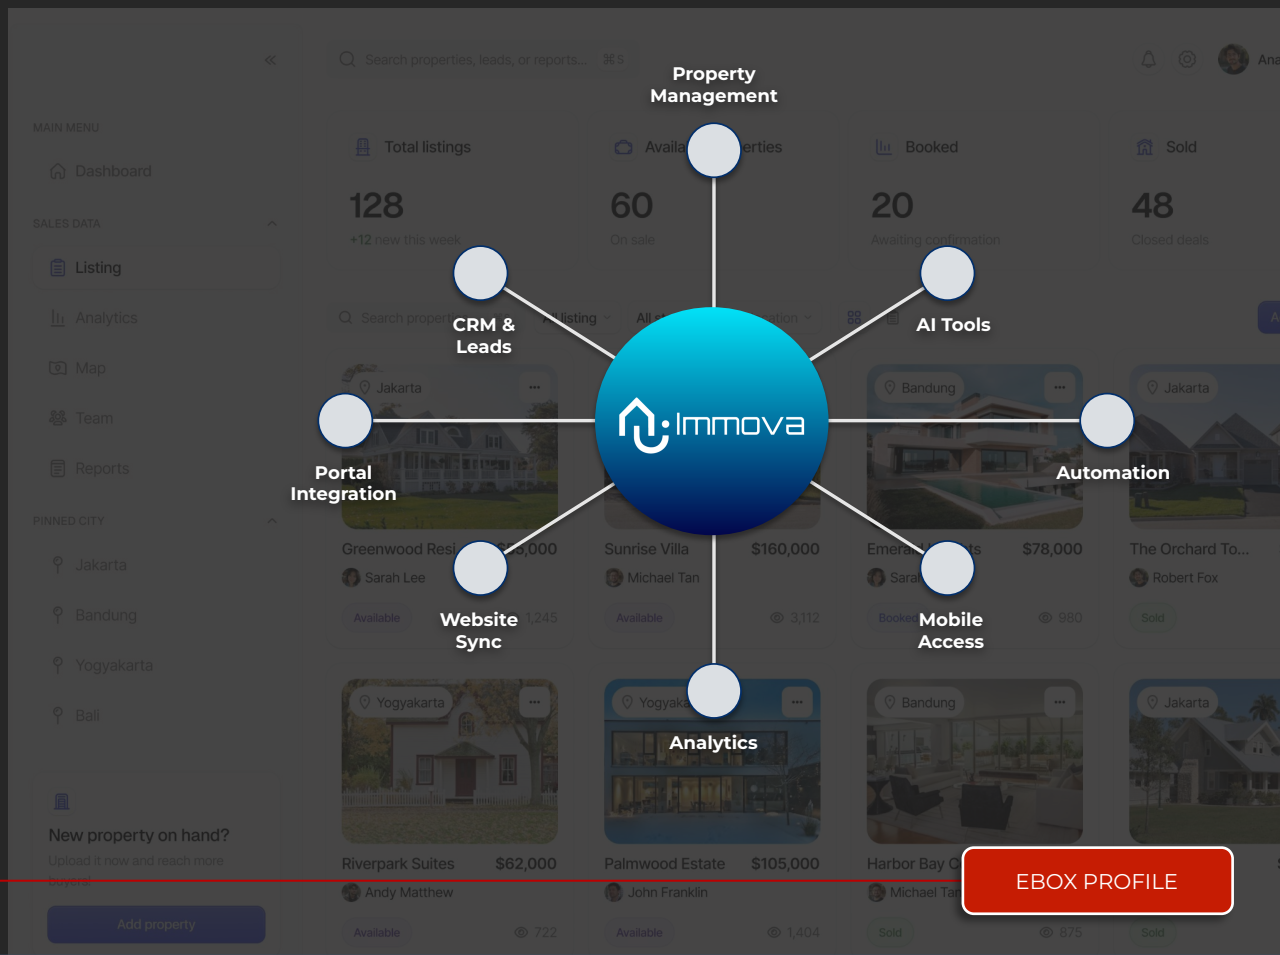

By promoting local businesses and preserving Mauritian heritage through technology, MauriMap aims to become the go-to platform for discovering, exploring, and experiencing Mauritius beyond the resorts.

Immova is EBOX's next-generation real estate platform, designed to redefine how agencies manage properties, leads, websites, and digital marketing.

More than just a CRM, Immova is a complete real estate operating system built with a modern, API-first architecture. It combines property management, website synchronisation, portal integrations, analytics, automation, AI-powered tools, and mobile accessibility into one seamless ecosystem.

Designed to be scalable, intuitive, and future-ready, Immova aims to empower real estate professionals with the technology they need to work smarter, grow faster, and deliver a better experience to their clients.
